## Teacher, Sales And Marketer

Graduated in business and marketing BA honors degree in August 2022 with a 2:2 from the University of Buckinghamshire UCFB. I have acquired a great deal of theoretical knowledge throughout my educational career; to be a self-motivated and autonomous business and marketing graduate, established with commercial, procurement, sales, and advertising abilities. A solid relationship between theory and practice, as well as an infectious passion to essentially instill optimism in the workplace.

A highly motivated and adaptable educator with experiences of mentoring lead instructors and training students. Being exceptionally adept at instructing, upholding norms, and delivering lesson knowledge with enthusiasm. Eager to contribute to a team and classroom success by paying attention to detail. Having extensive academic rigor and a desire to acquire further knowledge. A dependable professional with an extensive record of successful mediation and effective communication abilities. A team player who is experienced in working with educators in order to coordinate and execute predetermined lesson plans and activities.

## Work History
